

THE CITY OF WEST JORDAN, UTAH

ORDINANCE NO. 21-37

AN ORDINANCE AMENDING THE 2009 WEST JORDAN CITY CODE  
(MAYORAL APPOINTMENTS AND COUNCIL ADVICE AND CONSENT, SECTIONS  
1-7-4, 1-7-8, 5-5-5, AND 9-4-3)

WHEREAS, the City of West Jordan (“City”) adopted West Jordan City Code (“City Code”) in 2009; and

WHEREAS, the City Council of the City (“City Council”) desires to amend certain sections of the City Code, regarding and related to mayoral appointments and council advice and consent (“proposed City Code amendments”); and

WHEREAS, the Planning Commission of the City (“Planning Commission”) held a public hearing and provided a positive recommendation on October 19, 2021, regarding the proposed City Code amendments, since some of the proposed City Code amendments are land use regulations, including City Code Sections 5-5-5 and 9-4-3; and

WHEREAS, the City Council held a public meeting on September 22, 2021 and a public hearing on November 16, 2021 regarding the proposed City Code amendments; and

WHEREAS, the City Council finds it to be in the best interest of the public health, safety, and welfare of the residents of the City to adopt the following proposed City Code amendments.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WEST JORDAN, UTAH AS FOLLOWS:

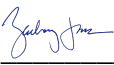

**Section 1. Amendment and Enactment of Code Provisions.** City Code Sections 1-7-4, 5-5-5, and 9-4-3 are amended to read as shown on Attachment 1 below; and City Code Section 1-7-8 is enacted (replacing a previously repealed section) to read as shown on Attachment 1 below.

**Section 2. Severability.** If any provision of this Ordinance is declared to be invalid by a court of competent jurisdiction, the remainder shall not be affected thereby.

**Section 3. Effective Date.** This Ordinance shall become effective immediately upon posting or publication as provided by law and upon (i) the Mayor signing the Ordinance, (ii) the City Council duly overriding the veto of the Mayor as provided by law, or (iii) the Mayor failing to sign or veto the Ordinance within fifteen (15) days after the City Council presents the Ordinance to the Mayor.

2. Each member of each executive branch temporary committee, board, and commission, as defined in section 2-1-3;
3. Each member of each internal committee of city employees (see section 2-1-1); and
4. Each position appointed by the mayor which is not identified in this code as requiring the council's advice and consent.

5-5-5: WASTE DISPOSAL:

A. Landfill Designated: "Mixed waste" and "green waste", as defined in section 5-5-1 of this chapter, and collected pursuant to this chapter, may be disposed of in the Trans-Jordan Cities Landfill cities landfill, which is owned and operated by the city City and other municipalities pursuant to an interlocal cooperation agreement.

B. City Representative(s): The city representative(s) to the Trans-Jordan Cities Landfill board is/are appointed pursuant to section 1-7-8 of this code. The Mayor shall appoint a qualified person (or persons), with the advice and consent of the City Council, to represent the City on the board of directors of the Trans Jordan cities landfill. The City Representative (or representatives) shall provide updates to the Council as frequently as requested by the Council.

C. Recyclable Materials: Recyclable materials shall be delivered to and processed by an appropriate and approved recycling facility. (2001 Code § 70-2-105; amd. Ord. 19-10, 2-27-2019; Ord. 20-03, 2-26-2020; Ord. 21-11, 3-24-2021)

9-4-3: REGULATING EFFLUENT INTO CITY SEWER SYSTEM:

A. South Valley Water Reclamation Facility Regulations Adopted By Reference:

1. The South Valley Water Reclamation Facility water reclamation facility (SVWRF) receives the city's collective sewer effluent from all sources pursuant to an interlocal agreement with the city. The city's collective stream of effluent is cleaned by SVWRF to federal EPA standards and deposited into the Jordan River. In the future this stream of cleaned sewer effluent may become a source of reusable water for the city. When higher flows or more toxic flows are presented to SVWRF, additional facilities and/or technological capabilities may be required, at a significant cost to the city. As a result it is in the city's public interest to work closely with SVWRF for the benefit of the citizens of the city as a whole.

2. SVWRF has issued, and may in the future issue or amend, rules and regulations governing the deposit of certain categories of effluent into the city sewer system for ultimate delivery to SVWRF. These rules and regulations, as and when issued by SVWRF, are hereby incorporated into this title and chapter by this reference, as if entirely set forth herein. A copy of the most current SVWRF rules and regulation are available in the city recorder's office and through the city's "public works" webpage (<http://www.wjordan.com/PW.aspx?pgID=3.14.6>). The city council may, by resolution, affirmatively decline to adopt one or more such rules and regulations, and such a resolution shall be publicly available in the same places as, and together with, the rules and regulations to which the resolution applies.

B. Unlawful Discharges: It is unlawful for any person to discharge any substance into the city's sanitary sewer collection system of a type or in an amount that does not comply with the limitations set forth: 1) in the SVWRF rules and regulations, 2) in any permit issued by SVWRF, or 3) as provided elsewhere in this chapter.

C. Sewer Fee Surcharge: A sewer fee surcharge, set forth in the city's annually approved schedule of fees and charges, shall be assessed and collected for any period of time during which a city sewer service customer is found to be discharging prohibited types of substances or amounts of effluent into the city's sanitary sewer collection system, and such a surcharge can be assessed retroactively and on a daily basis.

Sewer service fees shall not be deemed to be paid in full unless and until all assessed surcharges, if any, for the corresponding service period have been fully paid. Failure to pay a surcharge can result in the shutoff of water service.

D. Tampering Unlawful: It is unlawful for any person to tamper with or attempt to defeat the operation of an official sampling or metering device installed to make measurements to ensure compliance with this chapter.

E. Special High Pollutant Effluent Requirements:

1. The SVWRF permitting process will result in each high pollutant discharger in the city obtaining a permit stating the acceptable types and effluent levels of EPA regulated pollutants discharged to the sanitary sewer collection system. At the time of this permit being issued, the city will determine for the particular pollutant discharger a base, average and maximum daily effluent level for each type of pollutant. The city shall assess and charge a sewer fee surcharge for each day that a regulated pollutant exceeds the permitted base effluent level. Effluent discharge at or above the average effluent level for each pollutant will be assessed a higher sewer surcharge fee, and shall require that the pollutant discharger pretreat its effluent on site to reduce the pollutant level discharge to the permitted base discharge level. Surcharge amounts will accrue daily pending completion of construction and implementation of on site pretreatment facilities.

2. If a pollutant discharger fails to limit and maintain its effluent at or below average levels of effluent into the city sanitary sewer system, fails to timely install pretreatment facilities when directed by the city or SVWRF, discharges effluent into the city sanitary sewer at or above maximum levels, or defiantly refuses compliance with SVWRF rules and regulations, the director of public works is hereby authorized and directed to issue an order closing the business and otherwise causing any further release into the city sanitary sewer system to cease. A copy of such an order will be provided to the city police department and to the pollutant discharger. Such an order is immediately appealable to district court.

F. Capacity Allocation: As an owner of SVWRF, the city has been allocated a limited portion of the polluted water treatment capacity of SVWRF within which the city must accommodate all of its sewer service customers. If the city needs additional capacity at SVWRF, it will either have to purchase such capacity from another owner or finance an expansion of SVWRF, if possible. Therefore, any person seeking to enter and do business in the city, or any person seeking to commence or expand a business within the city, and which business can reasonably be known to discharge polluted effluent into the city sewer system, must affirmatively approach the city through the director of public works to obtain an allocation of the city's remaining capacity at SVWRF. Depending on the availability of such capacity, the director of public works may approve and grant the requested capacity allocation, may decline to allow the business to open without full and complete removal of all pollutants from the expected sewer effluent on site, or may allocate some but not all of the requested allocation, requiring the on site treatment and removal of pollutants. No city business license may be granted nor city planning or zoning approvals made finally effective without an appropriate order of the director of public works under this chapter.

G. City Representative(s): The city representative(s) to the SVWRF board is/are appointed pursuant to section 1-7-8 of this code. The Mayor shall appoint a qualified person (or persons), with the advice and consent of the City Council, to represent the city on the board of directors of SVWRF. The city representative (or representatives) shall provide updates to the Council as frequently as requested by the council. (2001 Code §§ 90-2-105 and 90-2-106; amd. 2009 Code; Ord. 11-18, 7-13-2011; Ord. 21-11, 3-24-2021)

## Clean Version:

### 1-7-4: DUTIES OF THE MAYOR:

The mayor shall:

- A. Exercise the executive and administrative powers and perform or supervise the performance of the executive and administrative duties and functions of the city, and shall:
