The subdivision and procedures must comply with the provisions of the City of West Jordan Municipal Code and the Design and Construction Standards. No regulatory permits will be issued, no clearing, grubbing, grading, drainage work, parking lot construction or other site improvement will be allowed until final approval and proper permits are obtained. Processing times will vary based upon availability of city staff time and the completeness of the applicant's submitted plans. Checklists for a minor subdivision are attached and are located on the City's website at www.westjordan.utah.gov.
