ORDINANCE NO. 22-43

**AN ORDINANCE APPROVING AN AMENDMENT TO THE GENERAL PLAN
FOR THE MODERATE INCOME HOUSING STRATEGIES ELEMENT**

WHEREAS, the City of West Jordan (“**City**”) adopted the Comprehensive General Plan (“**General Plan**”) in 2012, as amended, which provides for a Moderate Income Housing Strategies Element (“**MIHS Element**”), which is periodically updated; and

WHEREAS, Utah Code Ann. Section 10-9a-403(2)(b)(iii) also requires that the MIHS Element be periodically updated; and the City desires to update the MIHS Element (“**General Plan MIHS Element Amendment**”) at this time to comply with this statutory requirement and to plan for and to encourage more opportunities for moderate income housing within the boundaries of the City; and

WHEREAS, on June 7, 2022 the General Plan MIHS Element Amendment was considered by the West Jordan Planning Commission (“**Planning Commission**”), which held a public hearing and made a recommendation to the West Jordan City Council (“**City Council**”) concerning the General Plan MIHS Element Amendment; and

WHEREAS, work sessions were held, followed by a public hearing which was held before the City Council on August 24, 2022 concerning the General Plan MIHS Element Amendment; and

WHEREAS, consistent with City Code Section 13-7C-6, the City Council has determined the following concerning the General Plan MIHS Element Amendment:

1. The proposed amendment conforms to and is consistent with the adopted goals, objectives and policies set forth in the City General Plan;
2. The development pattern contained on the land use plan inadequately provides the appropriate optional sites for the use and/or change proposed in the amendment;
3. The proposed amendment will be compatible with other land uses, existing or planned, in the vicinity;
4. The proposed amendment constitutes an overall improvement to the adopted general land use map and is not solely for the good or benefit of a particular person or entity;
5. The proposed amendment will not adversely impact the neighborhood and community as a whole by significantly altering acceptable land use patterns and requiring larger and more expensive public infrastructure improvements, including, but not limited to, roads, water, wastewater and public safety facilities, than would otherwise be needed without the proposed change; and
6. The proposed amendment is consistent with other adopted plans, codes and ordinances.

WHEREAS, in its sole legislative discretion, the City Council now finds it to be in the best interest of the public health, safety, and welfare of the residents of the City to adopt the following General Plan MIHS Element Amendment.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WEST JORDAN, UTAH AS FOLLOWS:
