AMENDED SITE PLAN INFORMATION

GENERAL

The purpose of the attached documents is to provide information necessary to plan for, apply for and submit the necessary information to obtain approval for an Amended Site Plan in the City of West Jordan.

By providing the required information it will enable the timely completion of your project. Not providing the necessary information will require the return of the application and submitted documents to you and will unnecessarily delay progress and final approval.

This document is meant to act as a guide for individual projects and may require additional information be provided, depending upon the nature of the project.

CONTENTS

The following documents are provided to help you through the process, from application to approval.

- City of West Jordan Application
- Property Owner Affidavit
- Amended Site Plan Process
- Amended Site Plan Checklist

WHAT IS A COMPLETE APPLICATION

A complete application will include all of the documents listed above, including items listed in the checklists. Partial submittals will not be accepted.

SUBMITTAL MEETING

A submittal meeting is **required** to allow staff to check your application for completeness. Please contact the Planning office at 801 569-5060 to schedule your submittal meeting.

GETTING HELP

Once your application has been submitted, a Project Team will be assigned to the project. The Planner is your point of contact and you can contact them for project status inquiries or to contact the Project Team for information about their various specialties.

**** Applicant must identify as a "Property Owner", all holders of any legal title to the Property; if necessary, attach additional page(s) to this Application to identify additional Property Owners.**

By signing below, the Applicant hereby represents, and affirms the following:

1. Definitions.

- a. "Application": Application includes (i) this Application form, (ii) the Property Owner(s) Affidavit, and (iii) all information (whether written or verbal) provided by the Applicant, by the Consultant, by the Property Owner(s), or by any other person or entity engaged by the Applicant or the Property Owner(s) in furtherance of the Application ("Supporting Parties").
- b. "Property Owner(s)": Holders of any legal title to the Property.

2. Information is True and Correct. The information described on this Application form and contained in the Property Owner's Affidavit, is true and correct. The Applicant will use its best efforts to ensure all contents of the Application are accurate and current.

3. Property Owner(s) Consent to this Application. All Property Owner(s) (i) have reviewed and expressly approve of the contents of this Application form, and (ii) consent to the Applicant pursuing approval of the Application.

4. City's Right to Contact Property Owner(s). The City has the right to contact the Property Owner(s) directly, in writing or through other means, to verify any information contained in the Application.

5. Contact with Property Owner(s) is not Interference. Contact by the City as outlined in "4." above is and shall not be considered interference with the Applicant's business dealings.

6. Incorrect or Untrue Information Voids this Application. If any information provided as part of the Application is untrue or incorrect, at the option of the City (i) this Application shall be considered void *ab initio*, (ii) the City shall have no obligation to process the Application, (iii) any commitments allegedly made by the City or flowing from the Application, including also the alleged grant of any development rights by the City, shall be considered void *ab initio* and unenforceable, and (iv) the Applicant shall indemnify and hold the City harmless for any costs or claims resulting from false or incorrect representations (A) of or from the Applicant, and/or (B) of or from the Property Owner(s), the Consultant, and/or the Supporting Parties of which the Applicant has or had knowledge.

7. Notice to the City of a Changed Event. The Applicant has an affirmative duty to (i) notify the City in writing of a Changed Event, (ii) fully inform the City of the nature and details of a Changed Event, and (iii) provide such notice and information within two (2) business days of a Changed Event. A Changed Event is any action or occurrence, (i) that occurs subsequent to the date the Applicant executes this Application form, and (ii) which alters the legal relationship of the Applicant and the Property Owner(s) to an extent that either (A) the Applicant no longer has authorization from the Property Owner(s) to pursue the Application, or (B) results in any representation or information in this Application or the Property Owner's Affidavit to be, in whole or in part, untrue, incorrect, or inaccurate.

Applicant Signature: _____ Date: _____

(Completed Notary Block for Applicant's signature must be attached to this Application form)

Privacy Notice:

The personal data being collected is included in a public record as defined under Utah Code 63G-2-301 and may be available to the public as provided in Utah Code 63G-2-201. Prior to making a record available to the public, the City of West Jordan redacts private, protected, or controlled information as defined in Utah Code 63G-2-302, 304, and 305. On this _____ day of _____, 20____, before the undersigned notary public in and for the said state, personally appeared _____ [name of person], known or identified to me to be a/the _____ [position of responsibility] of _____ [name of company or entity], and the person who executed the foregoing instrument and acknowledged to me that said company or entity executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and seal the day and year first above written.

Notary Public for Utah

PROPERTY OWNER AFFIDAVIT

STATE OF _____ }
COUNTY OF _____ } ss

I, _____, being duly sworn, by my signature represent, affirm and attest as follows:

1. Definitions. The following definitions apply in this Affidavit:
- a. “Application”: Application includes (i) the document entitled *West Jordan City Development Services Application* (“Application Form”), (ii) this Property Owner Affidavit (“Affidavit”) and any other Property Owner Affidavit(s), and (iii) all information (whether written or verbal) provided by the Applicant, by the Consultant, by the Property Owner(s), or by any other person or entity engaged by the Applicant or the Property Owner(s) in furtherance of the Application (“Supporting Parties”).
 - b. “Applicant”: The individual and/or entity named as such on the Application Form.
 - c. “Property Owner”: Holder of any legal title to the Property.
 - d. “Property”: That parcel identified as sidwell/parcel# _____,
located at approximately _____.
(approximate street address)

2. Property Owner. To the best of my knowledge **(check one)**:
- ☐ I am the SOLE Property Owner.
- or-
- ☐ There is/are (an) additional Property Owner(s), whose name(s) follow:

(include additional pages with names if necessary)

3. Reviewed the Application. I have reviewed the Application Form dated _____,
submitted to the West Jordan City by _____,
(name of Applicant as appears on the signature line of the Application form)
for the project entitled, “_____”
(name of Project as appears on the Application form)
which Application requests approval by the City of West Jordan for the following:

- | | | |
|---|--|---|
| <input type="checkbox"/> Agreement | <input type="checkbox"/> Site Plan | <input type="checkbox"/> Temporary Use Permit |
| <input type="checkbox"/> Conditional Use Permit | <input type="checkbox"/> Site Plan Amended | <input type="checkbox"/> Zone Change |
| <input type="checkbox"/> Design Review Committee | <input type="checkbox"/> Subdivision Major | <input type="checkbox"/> Planned Community |

Privacy Notice:

The personal data being collected is included in a public record as defined under Utah Code 63G-2-301 and may be available to the public as provided in Utah Code 63G-2-201. Prior to making a record available to the public, the City of West Jordan redacts private, protected, or controlled information as defined in Utah Code 63G-2-302, 304, and 305. For more information, please contact the City's Data Privacy Officer, Tangee Sloan – tangee.sloan@westjordan.utah.gov

AMENDED SITE PLAN PROCESS

GENERAL

The purpose of the site plan process is to obtain Planning approval. The site plan, construction drawings and procedures must comply with the provisions of the City of West Jordan Municipal Code and The Design and Construction Standards. No regulatory permits will be issued, no clearing, grubbing, grading, drainage work, parking lot construction or other site improvements will be allowed until final approval and proper permits are obtained. Processing times will vary based upon availability of city staff time and the completeness of the applicant's submitted plans. Checklists for a site plan are attached and are available on the City's website www.westjordan.utah.gov

APPLICANT'S INITIAL CONTACT WITH CITY STAFF

Your initial contact with city staff will take place with the Planning Department either by telephone or by meeting at the Community Development Department counter. If you are not familiar with City processes and requirements city staff can briefly discuss the process and requirements with you.

PRE-APPLICATION MEETING

The applicant can contact the community development department staff to schedule a pre-application meeting. Pre-application meetings are held weekly.

The purposes of the pre-application conference are:

1. To better facilitate the development process by establishing initial contacts between City staff and the applicant.
2. Provide an opportunity for the applicant to present the project to city staff and receive comments from them.
3. Provide an opportunity for the applicant to ask questions regarding city requirements to eliminate unnecessary delays to the proposed project

If the applicant is familiar with the city's processes and requirements, they may skip this step and go directly to preparation of the site plan.

APPLICATION

The amended site plan process can be initiated by submitting the application along, with items listed on the final site plan checklists. The application will not be accepted until a determination has been made that the application is complete.

CITY REVIEW

The first review will take approximately 4 weeks based upon the complexity of the project and number of projects in for review. Subsequent reviews will be completed in approximately 2 weeks. After staff have finished their review, the applicant will be contacted to pick up any redline comments

STAFF ACTION

City staff will notify the applicant that the site plan and construction drawings are approved.

EXPIRATION OF APPROVAL

An approved site plan is valid for two (2) years. The one-year requirement may be extended by the zoning administrator for up to an additional six (6) months period for good cause shown by the applicant as a written petition prior to the expiration of the original time period.

CITY ATTORNEY REVIEW

Documents that require the Mayors signature or recordation with Salt Lake County Records office will require review and approval from the City Attorney. All documents are to be original documents. The applicant is responsible for payment of any recordation fees.

LAND DISTURBANCE PERMIT

The applicant or his/her contractor is to obtain a land disturbance permit prior to the beginning of any construction activity on-site. The requirements for obtaining this permit is specified in the City of West Jordan Municipal Code.

PRECONSTRUCTION MEETING

After all code requirements are met, the community development department will schedule a preconstruction meeting with the applicant, his contractor and city staff. During the meeting a set of approved construction drawings will be given to the applicant, which must be on site at all times during the construction of the project. A land disturbance permit will be granted, and the Building Permit Requirements Form will be signed.

BUILDING PERMIT

A building permit may be issued after the preconstruction meeting has been held, erosion control measures have been installed, inspected and approved, applicable impact fees paid, and fire department requirements have been met.

CERTIFICATE OF OCCUPANCY

A permanent certificate of occupancy will be issued after all Building Division requirements of the City of West Jordan Municipal Code have been met.

TEMPORARY CERTIFICATE OF OCCUPANCY

A temporary certificate of occupancy, not to exceed 6 months, may be issued after all Building Division requirements of the City of West Jordan Municipal Code have been met

WARRANTY

After final inspections of the public improvements are completed, a 12-month warranty period begins. The applicant is required to meet all requirements specified in the City of West Jordan Municipal Code.

FINAL INSPECTION

After the 12-month warranty period, a final inspection of the improvements will take place in accordance with the City's City of West Jordan Municipal Code.

DEVELOPMENT AGREEMENT (if applicable)

The Development Agreement is a formal written agreement between the city and the applicant, which details the responsibilities of both parties. The responsibilities detailed in the agreement for the city are those that are provided for in the Municipal Code and are reiterated in the Agreement. In addition to the standard items the city agrees to provide, any project specific items the city agrees to do are outlined in the 'Special Provisions' section of the agreement. The agreement also details items the applicant will provide along with any special requirements, which are also outlined in the 'Special

Provisions' section. The Development Agreement is prepared by the city attorney's office, then distributed and reviewed by other city departments who provide input into the Agreement. The Agreement is then reviewed as part of the project by the Planning Commission and approved, rejected, or returned for changes. A Development Agreement for a project will require City Council approval.

REIMBURSEMENT AGREEMENT (if applicable)

If the applicant feels that certain facilities being constructed may be subject to reimbursement, the applicant shall prepare a letter addressed to the City Engineer, pay current reimbursement deposit, and application, detailing the reasons. Failure to do so will disqualify the applicant for any reimbursements. Facilities included in city master plans and impact fee studies may be subject to reimbursement dependant upon the findings of the City Engineer and Development Director who will respond in writing to the applicant. If the City Engineer and Development Director agree that such facilities may be subject to reimbursement, the City Attorney will prepare an Agreement. The Reimbursement Agreement requires City Council approval.

<input type="checkbox"/>	<input type="checkbox"/>	North arrow, scale, and site plan underlay.
<input type="checkbox"/>	<input type="checkbox"/>	Relationship of utilities to each other on plan view.
<input type="checkbox"/>	<input type="checkbox"/>	Existing and proposed utilities – sewer, culinary water, secondary water, fire hydrants, storm drains, subsurface drains, gas lines, power lines, communications lines, cable television lines, and street lights.
<input type="checkbox"/>	<input type="checkbox"/>	Water meter locations. A separate meter for irrigation connection to main is required for landscape area of 100 sq ft or more
<input type="checkbox"/>	<input type="checkbox"/>	Streetlights are provided at ends of cul-de-sacs, all street intersections, entrance to any pedestrian pass-through.
<input type="checkbox"/>	<input type="checkbox"/>	Utility Easements – Location and dimensions. Provide a 20-foot easement for one utility, and a 25-foot easement for two utilities.
<input type="checkbox"/>	<input type="checkbox"/>	All streets are named and existing and future right-of-way width to centerline is shown.
<input type="checkbox"/>	<input type="checkbox"/>	Existing and proposed hydrants.
<input type="checkbox"/>	<input type="checkbox"/>	Show existing improvements in, and adjacent to, the project. Must clearly distinguish "existing" and "to be constructed" improvements (Plan Sheets).
<input type="checkbox"/>	<input type="checkbox"/>	Show water and sewer facilities and dimension from the centerline of the road or property line with a mandatory 10-foot separation between culinary water and sewer facilities.
<input type="checkbox"/>	<input type="checkbox"/>	Driveways, if known – sidewalk ramps locations
<input type="checkbox"/>	<input type="checkbox"/>	Minimum fire flow required by the IFC for the proposed structures. Fire flow calculations at all hydrant locations.

AMENDED SITE PLAN

<input type="checkbox"/>	<input type="checkbox"/>	A note on the drawing from the design engineer verifying that the proposed improvements comply with the City's design and construction standards.
Overall Drainage Plan		
<input type="checkbox"/>	<input type="checkbox"/>	Title block
<input type="checkbox"/>	<input type="checkbox"/>	Project title
<input type="checkbox"/>	<input type="checkbox"/>	North arrow and scale. (1"=100' max.)
<input type="checkbox"/>	<input type="checkbox"/>	"Call Before You Dig" symbol and telephone number
<input type="checkbox"/>	<input type="checkbox"/>	Revisions block
<input type="checkbox"/>	<input type="checkbox"/>	Compliance Note indicating all facilities conform to the City's Design and Construction Standards and Master Storm Drain Plan.
<input type="checkbox"/>	<input type="checkbox"/>	Show proposed and existing conditions for the property being developed and within 100-feet of the project's boundary.
<input type="checkbox"/>	<input type="checkbox"/>	Dashed lines and labels showing existing improvements, with elevations to show the project's conformity with the existing conditions.
<input type="checkbox"/>	<input type="checkbox"/>	Show proposed contours (use solid lines) and spot elevations.
<input type="checkbox"/>	<input type="checkbox"/>	Topography - Contour lines at 2-foot intervals
<input type="checkbox"/>	<input type="checkbox"/>	Slopes of 10-percent or greater are shown. (Hillside ordinance applies)
<input type="checkbox"/>	<input type="checkbox"/>	Proposed contours for site, parking lot and landscaping are shown.
<input type="checkbox"/>	<input type="checkbox"/>	Proposed sidewalks, sidewalk ramps curb and gutter with spot elevations.
<input type="checkbox"/>	<input type="checkbox"/>	
<input type="checkbox"/>	<input type="checkbox"/>	Elevations shown (top of curb, flowline and crownline) at limits of construction, P.C.'s, P.T.'s, and grade breaks.
<input type="checkbox"/>	<input type="checkbox"/>	Percentage of grade and direction of flow is indicated.
<input type="checkbox"/>	<input type="checkbox"/>	Pad and finished floor elevations for all new structures are shown.
<input type="checkbox"/>	<input type="checkbox"/>	Finished floor elevation of all buildings adjacent to this property and spot grades on adjacent properties to show elevational relationships.
<input type="checkbox"/>	<input type="checkbox"/>	All existing and "to be constructed" block walls are shown.
<input type="checkbox"/>	<input type="checkbox"/>	Proposed and existing drainage easements, with dimensions, elevations and typical sections
<input type="checkbox"/>	<input type="checkbox"/>	Shows existing or "to be dedicated" rights-of-way and easements.
<input type="checkbox"/>	<input type="checkbox"/>	"Sight visibility easements" with dimensions
<input type="checkbox"/>	<input type="checkbox"/>	Flood Plain and Wetland Information - Flood plain or wetland boundary locations.
<input type="checkbox"/>	<input type="checkbox"/>	Drainage calculations – Hydraulic and hydrologic storm drainage calculations using a 10-year storm and a 100-year storm event with 0.2 cubic foot per second/acre discharge in 24 hours stamped by a registered professional engineer. Engineer is to use rational method and provide output from these calculations. (Separate report)
<input type="checkbox"/>	<input type="checkbox"/>	Storm Water Facilities - Size, slope, location, and description of existing and "to be constructed" storm drain facilities line elevations.
<input type="checkbox"/>	<input type="checkbox"/>	Direction of storm water flows, catch basins, manholes, combination boxes, invert and rim elevations; inlets, outlets, waterways, culverts, detention basins, orifice plate sizes, required riprap, required double inlet/dissipater, outlets to off-site facilities, and off-site drainage facilities.
<input type="checkbox"/>	<input type="checkbox"/>	Proposed roof drains, include size, type slope, and flow
<input type="checkbox"/>	<input type="checkbox"/>	Existing culverts, streams, channels, and detention ponds with proposed changes include typical section, erosion protection, permanent structures, freeboard, and access.

AMENDED SITE PLAN

<input type="checkbox"/>	<input type="checkbox"/>	An overland release for storm water is provided for all sag points such that no structures would be flooded if the underground drain system were blocked or the capacity exceeded.
<input type="checkbox"/>	<input type="checkbox"/>	Detention areas and details are shown. This is to include spillways at a 3:1 maximum side slopes.
<input type="checkbox"/>	<input type="checkbox"/>	Subdrain system – Required if project fronts canal property, the geotechnical report indicates groundwater within the footing zone, or the area is known for a high groundwater table. Subsurface drains must lower groundwater levels to 3-feet below all basement levels. (To be maintained by Homeowner's Association)
<input type="checkbox"/>	<input type="checkbox"/>	Existing irrigation ditches have been piped or abandoned as approved by the ditch master.
<input type="checkbox"/>	<input type="checkbox"/>	Existing irrigation tailwater ditches or sheet flow is properly conveyed through the property.
<input type="checkbox"/>	<input type="checkbox"/>	Existing waterways including irrigation ditches, significant vegetation, natural drainage courses, i.e. creek, washes
<input type="checkbox"/>	<input type="checkbox"/>	Erosion protection is provided for all cut and fill slopes.
<input type="checkbox"/>	<input type="checkbox"/>	Energy dissipaters are provided on the outfall of drain lines discharging into creeks and earthen channels capable of slowing velocities to 3-feet per second
<input type="checkbox"/>	<input type="checkbox"/>	Oil water separator system in place before it discharges into the city system.
<input type="checkbox"/>	<input type="checkbox"/>	Approval from County Flood Control – If the site is adjacent to a waterway needing maintenance by a government agency.
<input type="checkbox"/>	<input type="checkbox"/>	Approval from the Army Corps of Engineers – If the site is within or adjacent to any known wetlands.
<input type="checkbox"/>	<input type="checkbox"/>	State stream alteration Permit
Overall Grading Plan		
<input type="checkbox"/>	<input type="checkbox"/>	Title block
<input type="checkbox"/>	<input type="checkbox"/>	Project title
<input type="checkbox"/>	<input type="checkbox"/>	North arrow and scale. (1"=100' max.)
<input type="checkbox"/>	<input type="checkbox"/>	"Call Before You Dig" symbol and telephone number are shown
<input type="checkbox"/>	<input type="checkbox"/>	Revisions block
<input type="checkbox"/>	<input type="checkbox"/>	Compliance note indicating all facilities conform to the City's Design and Construction Standards.
<input type="checkbox"/>	<input type="checkbox"/>	Proposed and existing conditions for the property being developed and within 100-feet of the project's boundary.
<input type="checkbox"/>	<input type="checkbox"/>	Dashed lines and labels showing existing improvements, with elevations noted to show the project's conformity with the existing conditions.
<input type="checkbox"/>	<input type="checkbox"/>	Show proposed contours (use solid lines) and spot elevations
<input type="checkbox"/>	<input type="checkbox"/>	Topography - Contour lines at 2-foot intervals
<input type="checkbox"/>	<input type="checkbox"/>	Slopes of 10-percent or greater are shown. (Hillside ordinance applies)
<input type="checkbox"/>	<input type="checkbox"/>	Proposed contours for site, parking lot and landscaping are shown.
<input type="checkbox"/>	<input type="checkbox"/>	Proposed sidewalks and sidewalk ramps with spot elevations are provided as required.
<input type="checkbox"/>	<input type="checkbox"/>	Proposed curb and gutter with spot elevations
<input type="checkbox"/>	<input type="checkbox"/>	Elevations shown (top of curb, flowline and crownline) at limits of construction, P.C.'s, P.T.'s, and grade breaks.
<input type="checkbox"/>	<input type="checkbox"/>	Percentage of grade and direction of flow
<input type="checkbox"/>	<input type="checkbox"/>	Pad and finished floor elevations for all new structures

AMENDED SITE PLAN

<input type="checkbox"/>	<input type="checkbox"/>	Finished floor elevation of all buildings adjacent to this property and spot grades on adjacent properties to show elevational relationships.
<input type="checkbox"/>	<input type="checkbox"/>	All existing and "to be constructed" block walls are shown.
<input type="checkbox"/>	<input type="checkbox"/>	Proposed and existing drainage easements, with dimensions, elevations and typical sections as needed.
<input type="checkbox"/>	<input type="checkbox"/>	Soils report required for all public roadways
SWPPP		
<input type="checkbox"/>	<input type="checkbox"/>	The project fulfills all the requirements of the Land Disturbance. See Land Disturbance Permit requirements at www.westjordan.utah.gov .
Public Street Design Plan View		
<input type="checkbox"/>	<input type="checkbox"/>	Scale – 1" = 20' or 1" = 40'
<input type="checkbox"/>	<input type="checkbox"/>	Street Monuments
<input type="checkbox"/>	<input type="checkbox"/>	Street name and number
<input type="checkbox"/>	<input type="checkbox"/>	Right of way width.
<input type="checkbox"/>	<input type="checkbox"/>	Design benchmark.
<input type="checkbox"/>	<input type="checkbox"/>	Property lines. Locations of easements (existing and proposed)
<input type="checkbox"/>	<input type="checkbox"/>	Center line with stationing. Please include any horizontal curve information.
<input type="checkbox"/>	<input type="checkbox"/>	Horizontal sight distance if road intersection is not 90 degrees or if road intersects a horizontal curve.
<input type="checkbox"/>	<input type="checkbox"/>	Existing edge of asphalt spot elevations as well as centerline spot elevations. 50 foot intervals.
<input type="checkbox"/>	<input type="checkbox"/>	Existing curb, gutter, sidewalk and drive approaches. Provide spot elevations for both sides of the street.
<input type="checkbox"/>	<input type="checkbox"/>	Profile spot elevation designations at curb return.
<input type="checkbox"/>	<input type="checkbox"/>	Existing and proposed utilities.
<input type="checkbox"/>	<input type="checkbox"/>	Existing and proposed street lights.
<input type="checkbox"/>	<input type="checkbox"/>	Extend limits of drawing 100' before and after proposed improvements. Include driveways and any road intersection.
<input type="checkbox"/>	<input type="checkbox"/>	Proposed storm drain system. Include pipe length, material, and size. Include manhole size, and rim elevation. Include any grate elevations.
<input type="checkbox"/>	<input type="checkbox"/>	Proposed sanitary sewer system. Include pipe length, material, and size. Include manhole size and rim elevation.
<input type="checkbox"/>	<input type="checkbox"/>	Proposed culinary water system. Include length, size and class of pipe as well as valves, tees, crosses, fire hydrants and service laterals.
<input type="checkbox"/>	<input type="checkbox"/>	Proposed secondary water system. Include length, size, and class of pipe as well as valves, tees, crosses, and service laterals.
<input type="checkbox"/>	<input type="checkbox"/>	Existing and proposed fire hydrants. Maximum spacing 500 feet.
Public Street Design Profile View		
<input type="checkbox"/>	<input type="checkbox"/>	Scale (vertical scale 1/10 of horizontal scale).
<input type="checkbox"/>	<input type="checkbox"/>	Elevation at left and right side of sheet.
<input type="checkbox"/>	<input type="checkbox"/>	Existing ground profile at proposed profile grade line (center line or top back of curb).
<input type="checkbox"/>	<input type="checkbox"/>	Proposed profile grade line (center line or top back of curb). Include grade information, slope, VPI, VPC, CPT etc. Include elevations at points of interest.
<input type="checkbox"/>	<input type="checkbox"/>	Vertical sight distance. Safe stopping distance when required.
<input type="checkbox"/>	<input type="checkbox"/>	All necessary vertical curve information including length of curve, AKA Value.
<input type="checkbox"/>	<input type="checkbox"/>	Extend profile line 100 feet each way showing existing improvements

AMENDED SITE PLAN

<input type="checkbox"/>	<input type="checkbox"/>	Profiles of sanitary sewer system. Include length, size, type and slope of pipe. Include manhole size, rim and flow line elevations.
<input type="checkbox"/>	<input type="checkbox"/>	Profiles of storm drain system. Include length, size, type and slope of pipe. Include hydraulic grade line and contributing system flow. Include all rim gate and low line elevations.
<input type="checkbox"/>	<input type="checkbox"/>	Profiles of culinary and or secondary water system if line size is 12 inches or greater. Include length, size, type and slope of pipe. Include air vacuum station at all high points.
<input type="checkbox"/>	<input type="checkbox"/>	Show conflicts between utilities. Include distance between utilities pipe edge to pipe edge.
<input type="checkbox"/>	<input type="checkbox"/>	Engineering Department review and comments on drawings.
<input type="checkbox"/>	<input type="checkbox"/>	Applicant revision of proposed drawings and resubmission to Engineering Department.
<input type="checkbox"/>	<input type="checkbox"/>	Engineering Department approval of public street plan.
Traffic Signs and Striping Plan		
<input type="checkbox"/>	<input type="checkbox"/>	Scale
<input type="checkbox"/>	<input type="checkbox"/>	Overall site layout complete with lot and easements lines.
<input type="checkbox"/>	<input type="checkbox"/>	Street layout including curb, gutter, and sidewalk.
<input type="checkbox"/>	<input type="checkbox"/>	Stop bars as required by MUTCD
<input type="checkbox"/>	<input type="checkbox"/>	Cross walks.
<input type="checkbox"/>	<input type="checkbox"/>	Painted messages or arrows.
<input type="checkbox"/>	<input type="checkbox"/>	Stop signs per most current edition of MUTCD.
<input type="checkbox"/>	<input type="checkbox"/>	Street signs per most current edition of MUTCD.
<input type="checkbox"/>	<input type="checkbox"/>	Any additional signs as warranted by the most current edition of MUTCD.
<input type="checkbox"/>	<input type="checkbox"/>	Traffic striping or tape for all lanes.
<input type="checkbox"/>	<input type="checkbox"/>	Proposed signal loops if required.
<input type="checkbox"/>	<input type="checkbox"/>	Proposed signal light if required.
Traffic Impact Analysis		
<input type="checkbox"/>	<input type="checkbox"/>	Engineering will determine if a Traffic Impact Analysis is required and provide the to the applicant the Guidelines for the Traffic Impact Study
Site Demolition Plan		
<input type="checkbox"/>	<input type="checkbox"/>	Title block
<input type="checkbox"/>	<input type="checkbox"/>	Project title
<input type="checkbox"/>	<input type="checkbox"/>	North arrow
<input type="checkbox"/>	<input type="checkbox"/>	Scale of drawing
<input type="checkbox"/>	<input type="checkbox"/>	"Call Before You Dig" symbol and telephone number are shown (plan sheets).
<input type="checkbox"/>	<input type="checkbox"/>	Revisions block is shown.
<input type="checkbox"/>	<input type="checkbox"/>	Structures and other facilities to be removed are shown.
Landscaping Plan		
<input type="checkbox"/>	<input type="checkbox"/>	Landscape Plans prepared by a "landscape designer" as defined by the City of West Jordan City Municipal Code
<input type="checkbox"/>	<input type="checkbox"/>	Designation of "landscape zones" (grouping plants with similar water needs)
<input type="checkbox"/>	<input type="checkbox"/>	The location of all proposed plants and a plant schedule specifying the quantity, size, common name botanical name, and spacing of all proposed plants
<input type="checkbox"/>	<input type="checkbox"/>	Existing and proposed landscape grading of the site indicating contours at two foot (2') intervals. Proposed berm shall be indicated using one foot (1') contour intervals
<input type="checkbox"/>	<input type="checkbox"/>	Location of existing buildings and structures

AMENDED SITE PLAN

<input type="checkbox"/>	<input type="checkbox"/>	The location, size, and common names of all existing mature trees and significant vegetation, on the site and within adjacent rights of way, indicating plants that will be retained and those that will be removed
<input type="checkbox"/>	<input type="checkbox"/>	The location and dimensions of all existing and proposed buildings and structures, property lines, easements, parking lots and drives, streets and rights-of-way, signs, sidewalks, dumpster enclosures, fences.
<input type="checkbox"/>	<input type="checkbox"/>	The location of all meters, lighting, fire hydrants and utility boxes in the right-of-way or on the property
<input type="checkbox"/>	<input type="checkbox"/>	Designation of "landscape zones" (grouping plants with similar water needs)
Irrigation Plan		
<input type="checkbox"/>	<input type="checkbox"/>	Irrigation Plans prepared by an "irrigation designer" as defined by the West Jordan City Municipal Code
<input type="checkbox"/>	<input type="checkbox"/>	Location of connection to water supply
<input type="checkbox"/>	<input type="checkbox"/>	Size of connection
<input type="checkbox"/>	<input type="checkbox"/>	Pipe type
<input type="checkbox"/>	<input type="checkbox"/>	Static water pressure(psi)
<input type="checkbox"/>	<input type="checkbox"/>	Backflow prevention device type and location
<input type="checkbox"/>	<input type="checkbox"/>	Water meter size and location
<input type="checkbox"/>	<input type="checkbox"/>	Layout of irrigation system and a legend summarizing the type and size of all major system components and irrigation heads, including manufacturer's name and model numbers
<input type="checkbox"/>	<input type="checkbox"/>	Flow rate in gallons per minute and design operating pressure in psi for each valve
<input type="checkbox"/>	<input type="checkbox"/>	Precipitation rate in inches per hour for each irrigation zone
<input type="checkbox"/>	<input type="checkbox"/>	Indicate either a pressure regulation device or pressure regulated spray heads
<input type="checkbox"/>	<input type="checkbox"/>	Show location of rain shutoff device and how connected to controller (wire or wireless)
Landscape Worksheet of Summary Data		
<input type="checkbox"/>	<input type="checkbox"/>	Completed Landscape Area and Water Conserving Landscape Calculations Worksheet available at www.westjordan.utah.gov
<input type="checkbox"/>	<input type="checkbox"/>	Completed Water Allowance Worksheet available at www.westjordan.utah.gov
Architectural Renderings Building Elevations		
<input type="checkbox"/>	<input type="checkbox"/>	Accurate front, rear and side elevations of all buildings and accessory structures, drawn to scale and showing dimensions
<input type="checkbox"/>	<input type="checkbox"/>	Specification of all exterior surfacing materials and colors shown on a color enhanced PDF. Show shingle color and type, exterior building color type.
<input type="checkbox"/>	<input type="checkbox"/>	Outdoor lighting, furnishings and architectural accents specification
<input type="checkbox"/>	<input type="checkbox"/>	Building elevations, footprint, occupancy, number of stories, construction type
<input type="checkbox"/>	<input type="checkbox"/>	Dumpsters, utility boxes, fences, walls
<input type="checkbox"/>	<input type="checkbox"/>	Proposed signage location and dimension of all signage proposed to be attached to the building or structure.
Adjacent Property Owners Agreements		
<input type="checkbox"/>	<input type="checkbox"/>	Adjacent property owners' agreements regarding storm drainage, irrigation or other matters.
Overlay Zones		
<input type="checkbox"/>	<input type="checkbox"/>	Hillside District Overlay Zone – If the project is within the Hillside District Overlay Zone see requirements at www.westjordan.utah.gov

AMENDED SITE PLAN

<input type="checkbox"/>	<input type="checkbox"/>	Well Protection Overlay Zone – If the project is within the Well Protection Zone see requirements at www.westjordan.utah.gov
<input type="checkbox"/>	<input type="checkbox"/>	Airport Overlay Zone – If the project is within the Airport Zone see requirements at www.westjordan.utah.gov
Building Information		
<input type="checkbox"/>	<input type="checkbox"/>	Building Information – general building footprint, number of stories, and type of construction.
<input type="checkbox"/>	<input type="checkbox"/>	Location and elevation of all existing/proposed buildings on the site, showing all sides of each structure. Inclusive of the dumpsters, garages, all accessory structures and sheds.
